Ray Aponte
Principal

April 2017

Congratulations and welcome into the South High Community! By now you will have received a letter from our district's student placement office indicating your placement into one of our academic programs – All Nations, Liberal Arts or Open.

We are including some important registration materials for your 9th grade classes. Also included is information about music auditions and placement, AVID program opportunities, Project Lead the Way pre-engineering course work and a collaboration with Minneapolis Community and Technical College called Emerging Educators. Please look over these materials together in preparation for your registration session at South.

Registration for next year's classes will be held at South High on Tuesday, May 2, 2017 from 6:30 to 8:00 pm.

- **From 6:30 to 7:15 there will be a presentation in the auditorium to help review graduation requirements and to choose classes for next year. It is important to attend. Please be on time and bring your Course Request Form with you!**
- **From 7:15 to 8:00 pm, staff members will be available to answer questions about Project Lead the Way (PLTW), AVID, Math and World Language Placement, fall sports and clubs.**

School counselors, program coordinators and other school staff will be available to help. If you are unable to attend this event, you may return your **Course Request Form** to South High by May 2nd. You can mail or fax your form to us (information above), or e-mail your form to renee.magney@mpls.k12.mn.us.

Also included in this mailing you will find information about various co-curricular programs offered at South. We strongly encourage you to sign up for at least one of these offerings. Connecting to the school community through sports, clubs, theater, speech, and other activities can help make your transition to high school more enjoyable and successful!

We want you to have the best possible experience here at South. It is important for you to continue your hard work at middle school this year in order to be best prepared for next fall. If there is anything we can help you with between now and next August, please contact us at 612-668-4373.

We look forward to seeing you May 2nd for registration!

Sincerely,

The South High Counseling Team
