**Course Description/Purpose** Typical students enrolled in this class are not yet ready for the traditional senior-level math courses. This course also prepares students to pass the MCA-II mathematics exam.

---

**Course Goals/Learning Objectives** The following will be covered in this course:

- Algebra Topics
- Geometry Review
- Beginning Statistics
- Probability
- Interpreting Word Problems

---

**Prerequisites/Technology Use** This class is for students who have taken Algebra 1 and Geometry.

---

**Required Textbooks/Equipment** There will be no textbook for this course. You are expected to bring the following every day to class:

- Pencils
- Spiral notebook or binder with loose leaf paper

---

**Classroom Procedures/Policies**

- **Attendance** is crucial to our work in this class. If you miss a day, you are expected to get the work from the website, or the teacher if necessary. I will not track you down to hand you an assignment. You have one week after an excused absence to turn in missing work.
- Students with unexcused absences can expect their assignments to be marked late and receive no more than 60% of the possible points.
- Students with an unexcused absence on the day of a test will earn a score of zero for the exam they missed.
- For information on how an absence is excused, see the School Handbook.

---

**Assignments  
And  
Assessments**

Grades will be determined as follows:

- 70% Tests
- 30% Assignments

The grading scale is as follows:

%	A	B	C	D	F
+		88-89	78-79	68-69	
	92-100	82-87	72-77	62-67	0-59
-	90-91	80-81	70-71	60-61	

---

**Student Code of Conduct**

All students are expected to adhere to the Southwest High School and Minneapolis District Citywide Discipline Policy, designed to promote a safe and respectful learning environment. For more information about your rights and responsibilities consult your Southwest Student/Parent Handbook

---

**Academic Integrity:  
Plagiarism/Consequences**

It is expected that members of this class will observe strict policies of academic honesty and will be respectful of each other. Any instances in which cheating, including plagiarism and unauthorized use of copyrighted materials, computer accounts, or someone else's work is determined, will be referred to Student Services and will be investigated to its full extent. Find a definition of plagiarism on page 10 of the Student Handbook.
