

EMERGING EDUCATORS

Is a partnership between Minneapolis Community Technical College (MCTC), South High School and Minneapolis Public School that offers you a unique opportunity to work towards an Associates in Education in Science Degree (AS), at the same time as your high school diploma.

We are seeking students who have a strong commitment to developing through their own academic excellence and a desire to server others through education. Students must meet MCTC's PSEO admission guidelines which includes passing the 8th grade MCA and a strong GPA.

Earn a Associates Degree in Education at the same time as your high school diploma

Courses may be taught by South High teachers or MCTC Faculty

Two years of college savings!

Transferable AS Degree within the MnSCU system

College courses start in 10th grade

IF INTERESTED CHECK THE EMERGING EDUCATOR BOX ON THE SOUTH HIGH REQUEST FORM.
