Morgan Fierst, and Tanya Hodge

One-year ELA Credit

One-year Math Elective Credit

Two Hour Class

Are you interested in exploring the nature of truth?

How can Math and English help us explore this idea to define truth in our own terms?

Come share, refine, and define your voice in a course designed around you! Social Justice M.E. will take you on a year-long journey of social justice projects through which we'll explore, engage, and expose the injustices of society.
