

2017-18 Parent Assessment Refusal

Parents may refuse to allow their children to take the following State and District assessments by submitting this completed form to their school's Test Coordinator. To ensure that your child's school is able to fulfill this request, please submit your completed form by the return date listed in the table below. Every effort will be made to honor requests submitted after the dates listed, but the deadline allows time for the Test Coordinator to notify building staff as well as make other arrangements for your child during testing.
